Wind damage can strike unexpectedly at any time. Damage from windstorms, tornados, and hurricanes can range from minor to severe. In the more severe cases, it is important to secure your property as soon as possible to prevent additional damage such as water intrusion. At JG Construction & Restoration, we are prepared to handle whatever damage is left behind, even when the wind is accompanied by lightning or heavy rain. We will tarp and/or secure your property to keep the elements out until repairs are completed.

Wind and Storm Damage Services Include:

Wind damage restoration- | Tree removal- | Temporary Repairs- | Permanent Repairs- | Debris clean-up
